Matt Spassov

Objective

Motivated creative wiz, looking for a graphic design position at a bad ass creative agency. With 11 years professional experience, I am unfazed when asked to make the logo a "skosh" bigger, I'll even "make it pop!". My passion is everything outdoors and working with my hands. My hobby is creating stellar brands though collaboration and team work. You might say it's my hobbies that pay the bills;)

Work History

2017-Current: Freelance Graphic Design

Oregon & Oklahoma - Jan 2017 - Current

- Specialize in Brand, Logo & Packaging design.
